NSPD12F - Alcohol Policy

The NSFA Ltd. alcohol policy is provided to ensure that clubs and teams do not break council regulations and so that consumption of alcohol does not present a problem at NSFA Ltd. venues.

- Alcohol cannot be consumed in the public area of the “field of play”. This is defined as the area hired from Council.
- There is a 100% **NO ALCOHOL** policy at North Turrumurra Recreational Area (NTRA). This applies to all NTRA public areas, car park and playing grounds.
- If a venue has a licensed area all alcohol must be contained and consumed only in that area; minors should have no access to this area.
- The sale and consumption of alcohol should not take place at any junior fixture.
- Where the boundaries of the playing field are not clear alcohol cannot be consumed within
 - The fence or roped off area.
 - If not fenced, not within the flat field area.
 - If not fenced and not bounded by natural barriers, not with 15 metres of the field.
- Any Council regulation prohibiting alcohol over-rides any NSFA Ltd. policy.
- The Ground Manager (or in their absence the team Captain) is responsible for ensuring this policy is policed.
- We seek the co-operation of clubs to ensure a responsible approach is taken at football venues for senior fixtures where alcohol is permitted.
- It is our earnest desire to work with clubs. We have an obligation to make sure alcohol does not become an issue in inappropriate or anti-social behaviour at senior level games.
- Failure to abide by the Alcohol policy is subject to severe discipline to the individuals and teams involved.
