6.7 POSITION STATEMENTS

6.7.1 Child Protection Policy

NSFA is committed to the safety and wellbeing of all children and young people accessing our service. We support the rights of the child, and we will act without hesitation to ensure that we always maintain a Child-safe environment. We also support the rights and wellbeing of our staff and volunteers and encourage their active participation in building and maintaining a secure environment for all participants.

NSFA acknowledges that our staff, members and volunteers provide a valuable contribution to the positive experiences of children involved in football. NSFA aims to continue this and to take measures to protect the safety and wellbeing of children participating in football by:

- **Identifying and Analysing Risk of Harm**
NSFA Ltd. will develop and implement risk management strategies, which includes a review of existing child protection policies, to determine how Child-safe and Child-friendly the Association is and to determine what additional strategies are required to minimise and prevent risk of harm to children because of the action of an employee, volunteer or another child.
- **Developing Codes of Conduct for Adults and Children**
NSFA will ensure that we have a Working with Children Code of Conduct that specifies standards of conduct and care when dealing and interacting with children, particularly those in the care of NSFA Ltd. or its affiliated organisations. The Working with Children Code of Conduct will set out professional boundaries, ethical behaviour and unacceptable behaviour and will address what is appropriate behaviour between children. (See **Section 6.18** of this Policy).
- **Choosing Suitable Employees and Volunteers**
NSFA will ensure that we take all reasonable steps to ensure that people most suitable and appropriate to work with children (in prescribed positions) are engaged.
NSFA will achieve this using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.
NSFA will ensure that we conduct “Working with Children Checks” and/or criminal history assessments for employees and volunteers working with children, where the law requires an assessment.
If NSFA obtains a criminal history report as part of the screening process, we ensure we deal with that criminal history information in accordance with State of NSW requirements.
- **Supporting, Training, Supervising and Enhancing Performance**
NSFA will ensure that its volunteers and employees who work with children or children’s records have ongoing supervision, support and training such as that their performance is developed and enhanced to promote the creation and maintenance of a child-safe environment.
- **Empowering and Promoting the Participation of Children in Decision-Making and Service Development.**
NSFA will promote the involvement and participation of children and young people in developing and maintaining child-safe environments.
- **Report and Respond Appropriately to Suspected Abuse and Neglect**
NSFA will ensure that volunteers and employees are able to identify and respond to children at risk of harm.
NSFA will make all volunteers and employees aware of their responsibilities under NSW legislation if they have a suspicion on reasonable grounds that a child has been or is being abused or neglected.

In addition to any legal obligation, if any person feels another person or organisation bound by this policy is acting inappropriately towards a child or is breaching the Working with Children Code of Conduct, they may make an internal complaint. Please refer to the Complaints Procedure outlined in **Section 6.8** of this Policy. This will explain what to do about the behaviour and how NSFA will deal with the problem.

6.7.2 Taking Images of Children

Individuals and clubs cannot use images of children inappropriately or illegally. NSFA requires that individuals and clubs, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child who is not their own and ensure that the parent knows how the image will be used. NSFA also requires individuals and clubs to respect the privacy of others and disallow the use of camera phones, videos and cameras inside changing areas, showers and toilets.

If NSFA or any of its affiliated clubs or organisations uses an image, of a child, it will avoid naming or identifying the child or it will avoid, wherever possible, using both the first name and surname. NSFA and any of its affiliated clubs or organisations will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. NSFA and any of its affiliated clubs or organisations will not display information about hobbies, likes/dislikes, school, etc. as paedophiles or other persons can use this information as grooming tools. NSFA and any of its affiliated clubs or organisations will only use appropriate images of a child relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc. NSFA and any of its affiliated clubs or organisations, where possible, shall seek permission to use these images.

6.7.3 Anti-Discrimination and Harassment Policy

NSFA opposes all forms of harassment, discrimination and bullying. This includes, but is not limited to:

- Treating or proposing to treat someone less favourably because of a particular characteristic; or
- Imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or
- Any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers.

Some forms of harassment, discrimination and bullying, based on personal characteristics such as those listed in the Dictionary in **Section 6.11** of this Policy, are against the law. If any person feels they are being harassed or discriminated against by another person or organisation bound by this policy, please refer to the complaints procedure outlined in **Section 6.8** of this Policy. This will explain what to do about the behaviour and how NSFA will deal with the problem.

6.7.4 Sexual Relationships Policy

NSFA takes the position that coaches and the adult players that they coach should avoid having sexual relationships with each other as these relationships can have harmful effects on the individual player involved, on other players and coaches, and on football's public image. Such relationships may be intentionally or unintentionally exploitative due to a disparity between coaches and players in terms of authority, power, maturity, status, influence and dependence.

Should a sexual relationship exist between a player and a coach, NSFA will consider whether any action is necessary. Factors that may be relevant in this consideration are the age and maturity of the player relative to the coach, the financial or emotional dependence of the player on the coach, and the likelihood of the relationship having any adverse impact on the player and/or other players. If it is determined that the sexual relationship is inappropriate, NSFA may act to stop the coaching relationship with the player. Action may include transfer, a request for resignation or dismissal from coaching duties.

6.7.5 Pregnancy Policy

Every person bound by this Policy must treat pregnant women with dignity and respect and should remove any unreasonable barriers to participation by them in our sport. NSFA will not tolerate any discrimination or harassment against pregnant women.

While many sporting activities are safe for pregnant women, there may be risks that apply to some women during pregnancy. Those risks will depend on the nature of the sporting activity and the pregnant woman's circumstances. Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, should be of utmost importance in their decision-making about the way they participate in football.

NSFA recommends that pregnant women wanting to participate in our sport consult with their medical advisers, make themselves aware of the facts about pregnancy in sport, and ensure that they make informed decisions about participation. NSFA will only require pregnant women to sign a disclaimer if we require other participants to sign one in similar circumstances. NSFA will not require women to undertake a pregnancy test.

6.7.6 Gender Identity Policy

Every person bound by this Policy must treat people who identify as Transgender fairly and with dignity and respect. This includes acting with sensitivity and respect where a person is undergoing gender transition. NSFA will not tolerate any unlawful discrimination or harassment of a person who identifies as Transgender or Transsexual, or whom another person believes is Transgender. Please see the Dictionary in **Section 6.11** of this Policy for descriptions of the types of behaviour that this Policy regards as Transgender discrimination or harassment.

NSFA recognises that the exclusion of Transgender people from participation in sporting events and activities may have significant implications for their health, well-being and involvement in community life. In general, NSFA Ltd. will facilitate Transgender persons participating in football with the gender with which they identify.

NSFA also recognises there is debate over whether a male or female Transgender person obtains any physical advantage over other female participants. If issues of performance advantage arise, NSFA will seek advice on the application of those laws in the circumstances.

FFA is aware that the International Olympic Committee (**IOC**) has established criteria for selection and participation in the Olympic Games. Where a Transgender person intends competing at an elite level, we will encourage them to obtain advice about the IOC's criteria that may differ from the position taken by FFA.

Drug testing procedures and prohibitions also apply to people who identify as Transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's (**WADA**) Prohibited List, should apply for a standard Therapeutic Use Exemption.

6.7.7 Alcohol Policy

NSFA recommends that member clubs adhere to strict guidelines regarding the responsible consumption of alcohol. Responsible service and consumption of alcohol should apply to the consumption of any alcohol during or after the conclusion of competition. Responsible service of alcohol will entail:

- Making sure light alcohol and soft drinks are always available as alternatives to full strength alcohol;
- Wherever possible, food being available to be consumed when alcohol is available;
- Transport policies, and the attendance of Board/Committee Members to ensure that the club follows appropriate practices.

Stakeholders can obtain guidance from the Good Sports website – [click here](#).

6.7.8 Smoking Policy

The following policies apply to all football-related events (including matches and social functions):

- No smoking shall occur at or near any match or event organised by NSFA Ltd. or member clubs.
- Social functions shall be smoke free, with smoking only permitted at designated outdoor smoking areas;
- Coaches, club and team officials, volunteers and players will refrain from

smoking and remain smoke free while involved in an official capacity for any affiliated club and organisation and NSFA representative teams.

6.7.9 Cyber Bullying/Safety

NSFA regards bullying and harassment in all forms as unacceptable. Given the emergence of new telephone and internet social networks, the opportunity for unwanted and improper comments and statements has dramatically increased. Messages or statements made in these ways using these means of communication are largely instantaneous, and individuals can easily abuse them.

Others may also manipulate a person by encouraging him/her to make a statement on Twitter, Facebook, My Space or LinkedIn, for example, when the writer may be upset or vulnerable.

Bullying has the potential to cause great anxiety and distress to the person who has been the target of any comments or statements. In some cases, the law regards bullying as a criminal offence punishable by imprisonment, amongst other things. Frustration at a referee, team-mate, coach, or sporting body should never be communicated on social network channels, but rather by way of reasoned and logical verbal and written statements and where appropriate, complaints, to NSFA Ltd. or affiliated clubs and organisations.

6.7.10 Social Networking Websites Policy

NSFA acknowledges the emergence of new technology and communication platforms (Social Media) and wish to enable its participants to use such Social Media to benefit football and its participants, and to applaud achievements. However, participants within football need to be mindful of the possibility of other participants using Social Media inappropriately. Inappropriate use may occur unintentionally or when participants do not realise that their comments, once published are in a public forum, and are difficult to retract.

Social Media platforms include, but are not limited to:

- Social networking sites, including Facebook, Myspace and LinkedIn;
- Video and photo sharing websites, including Flickr, Instagram and YouTube;
- Micro-blogging sites, such as Twitter or Tumblr by traditional;
- Weblogs, including personal blogs or blogs hosted by traditional media publications;
- Forums and discussion boards, including those hosted by traditional media publications;
- Online encyclopaedia, such as Wikipedia; and
- Any other website that allows individual users or companies to contribute content.

Precautions NSFA recommend include:

- Do not include personal information of yourself or others on Social Media channels;
- Do not use offensive, provocative or hateful language on Social Media channels;
- Use your best judgement: do not publish something that makes you the slightest bit uncomfortable, and never write or publish if you are feeling emotional or upset (or are intoxicated);
- Always ask for a person's permission before posting his/her picture on Social Media channels;
- Never comment on rumours: do not confirm or deny them or speculate about rumours on Social Media channels;
- Always use Social Media and network forums to add value to and promote football in a positive way.

In addition to this Policy, FFA may from time to time issue Social Media policies and/ or guidelines that apply to specific individuals.

6.7.11 Other Relevant Policies

Other NSFA relevant policies are available at nsfa.asn.au. Some of the policies that contribute to the welfare of all those involved in our activities include:

- Pregnancy Policy;
- Alcohol policy;

- Smoking policy;
- Lightning policy;
- Heat policy.

6.8 COMPLAINTS PROCESS

6.8.1 Complaints

Any person may submit a complaint about a Member bound by this Policy if they reasonably think that a Member has breached this Policy or has otherwise engaged in unethical or inappropriate conduct or behaviour.

NSFA aims to provide a simple procedure for complaints based on the principles of procedural fairness (**Natural Justice**). Any person (**Complainant**) may report a complaint about a person/s or organisation bound by this policy (**Respondent**). The person should report such complaints to the affiliated club or organisation's MPIO or the NSFA Ltd. MPIO.

The Complaints Procedure outlined in **Section 6.13** of this Policy applies exclusively to the reporting, investigation and resolution of complaints reported under this policy.

NSFA and its affiliated clubs and organisations:

- Must deal with any complaints about breaches of this policy promptly, seriously, sensitively and confidentially and in accordance with the Complaints procedure,
- Must keep complaints confidential and will not disclose to another person without the complainant's consent, except if required by law or if disclosure is necessary to effectively deal with the complaint; and
- Recognise that Natural Justice is the minimum standard of fairness applicable in the investigation and adjudication of a complaint.

The lowest level at which a matter can be dealt with shall always be preferred. Therefore, if a complaint relates to behaviour or an incident that occurred at the:

- Club level or involves people operating at the club level, the complaint should be reported to and handled by, the relevant club in the first instance; or
- State level or involves people operating at the state level, the complaint should be reported to and handled by the relevant Member Federation in the first instance; or
- National level, the complaint should be reported to and handled by FFA.

Stakeholders should only refer matters that relate to or occur at the national level and the most serious cases from state level to FFA.

A Complainant:

- Must initially attempt to resolve the complaint with the person involved; and
- If this is not possible or reasonable given the sensitivity of the complaint, or that attempt does not provide a satisfactory outcome, the Complainant may notify the affiliated club or organisation MPIO or the NSFA MPIO and makes an informal or formal complaint.

NSFA aims for our complaints procedure to have integrity and be free of unfair repercussions or victimisation. If at any point in the complaints process the MPIO considers that a Complainant has knowingly made an untrue complaint or the complaint is vexatious or malicious, he/she may refer the matter to the P.D. & D.C. for appropriate action that may include disciplinary action against the Complainant.

NSFA will take all necessary steps to make sure that people involved in a complaint are not victimised. NSFA can impose disciplinary measures on anyone who harasses or victimises another person for making a complaint.

NSFA may deal with a complaint either informally or formally, depending on whether the complainant lodged an informal or formal complaint in accordance with this policy (see attachments B1 and B2). The Complainant usually decides this unless the affiliated club or organisation MPIO or the NSFA MPIO considers that the complaint falls outside this Policy and would be better dealt with another way and/or the law requires the complaint/allegation to be reported to an appropriate authority.

Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection, criminal or other relevant legislation.

6.8.2 Improper Complaints & Victimisation

NSFA aims for the Complaints Procedure to have integrity and be free of unfair repercussions or victimisation against the person making the complaint. If at any point in the complaints process the affiliated club or organisation's MPIO, or the NSFA MPIO considers that a Complainant has **knowingly** made an untrue complaint, or the complaint is malicious or intended to cause distress to the person complained of, the affiliated club or organisation may refer the matter to the CEO for appropriate action. Appropriate action may include disciplinary action against the Complainant.

NSFA will take all necessary steps to make sure that people involved in a complaint are not victimised. NSFA can impose disciplinary measures on anyone who harasses or victimises another person for making a complaint.

6.8.3 Mediation

NSFA aims to resolve complaints with a minimum of fuss. The people involved may resolve complaints amongst themselves with no need for disciplinary action. Mediation allows those involved to discuss the matter in the presence of an independent mediator and to come up with mutually agreed solutions.

Mediation may occur before or after the investigation of a complaint. If a Complainant wishes to resolve the complaint with the help of a mediator, the affiliated club or organisation's MPIO or the NSFA MPIO will arrange for a neutral third-party mediator where possible, in consultation with the Complainant. Lawyers may not negotiate on behalf of the Complainant and/or the Respondent during a mediation. More information on the mediation process is available in **Section 6.13** of this Policy.

6.8.4 Tribunals

NSFA may convene a P.D. & D.C. hearing at its discretion to hear a formal complaint in the following circumstances:

- For an alleged breach of this policy, as described in **Section 6.9** of this Policy; and
- When referred to it by:
 - ❖ The CEO or President of NSFA because of the serious nature of the event or the inability to resolve the matter at the affiliated club or organisation level; or
 - ❖ The NSFA MPIO.

If NSFA cannot resolve the matter, it can refer the matter to the Football NSW MPIO.

A respondent may lodge an appeal only to the Appeals Board in respect of a P.D. & D.C. decision in relation to a hearing conducted under these Regulations. The decision of the Appeals Board is final and binding.

Every affiliated club or organisation bound by this policy will recognise and enforce any decision of the P.D. & D.C or Appeals Board.

6.9 BREACHES OF THIS POLICY

It is a breach of this policy for any person or organisation to which this policy applies, to do anything contrary to this policy, including but not limited to:

- Breaching the Working with Children Code of Conduct;
- Bringing football and/or any of the Governing Bodies into disrepute, or acting in a manner likely to bring football and/or any of the Governing Bodies into disrepute;

- Any other form of discipline that the P.D. & D.C. considers reasonable and appropriate.

6.10.3 Factors to consider

The form of discipline the association and affiliated clubs can impose on an individual or organisation will depend on factors such as:

- The nature and seriousness of the breach;
- If the person(s) knew or should have known that the behaviour was a breach;
- The level of contrition;
- The effect of the proposed disciplinary measures on the person(s) including any personal, professional or financial consequences;
- If there have been relevant prior warnings or disciplinary action;
- The ability to enforce discipline if the person(s) is a parent or spectator (even if they are bound by the Policy); and/or
- Any other mitigating circumstances.

6.11 DICTIONARY

This Dictionary sets out the meaning of words used in this policy and its attachments without limiting the ordinary and natural meaning of the words. Stakeholders can source NSW-specific definitions and more detail on some of the words in this dictionary from the relevant NSW child protection commissions or equal opportunity and anti-discrimination commissions. - Physical abuse by hurting a child or a child's development (e.g. hitting, shaking or other physical harm; giving a child alcohol or drugs; or training that exceeds the child's development or maturity).
- Sexual abuse by adults or other children where a child is encouraged or forced to watch or engage in sexual activity or where a child is subject to any other inappropriate conduct of a sexual nature (e.g. sexual intercourse, masturbation, oral sex, pornography including child pornography or inappropriate touching or conversations).

The characteristics covered by discrimination law across Australia include, but are not limited to:

- Age;
- Disability;
- Family/carer responsibilities;
- Gender identity/transgender status;
- Homosexuality and sexual orientation
- Irrelevant medical record;
- Irrelevant criminal record;

- Association with a person with one or more of the characteristics listed above.

Examples of Discrimination include:

- **Age** – A club refuses to allow an older person to coach a team simply because of age.
- **Breastfeeding** – A representative of the club asks a member of the club who is breastfeeding a baby in the clubrooms to leave.
- **Disability** – A club overlooks a player for team selection because of mild epilepsy.

Unlawful harassment targets a person because of their race, sex, pregnancy, marital status, sexual orientation or some other personal characteristic protected by law (see characteristic list under discrimination). Unlawful harassment includes Sexual Harassment.

It does not matter whether the person intended the harassment; the focus is on the impact of the behaviour. The basic rule is if someone else finds it harassing then it could be harassment. Harassment may be a single incident or repeated. It may be explicit or implicit, verbal or non-verbal, and includes electronic cyber communication.

NSFA does not permit discrimination and harassment:

- In employment (including volunteer and unpaid employment); or
- When providing sporting goods and services including access to sporting facilities; or
- When providing education and accommodation; or
- In selection or otherwise of any person for competition or a team; or
- In the entry or otherwise of any player or other person to any competition and the obtaining or retaining membership of clubs and organisations (including the rights and privileges of membership).

Some exceptions to state and federal anti-discrimination law apply. Examples include:

- Holding a competitive sporting activity for boys and girls only who are under 12 years of age or of any age where strength, stamina or physique is relevant; or
- Not selecting a participant if the person's disability means he or she is not reasonably capable of performing the actions reasonably required for that particular sporting activity.

Requesting, assisting, instructing, inducing or encouraging another person to engage in discrimination or harassment may also be against the law.

It is also a breach of discrimination law to victimise a person making a complaint of discrimination or harassment. Example: a player is ostracised by her male coach for complaining about his sexist behaviour or for supporting another player who has made such a complaint.

It is prohibited to engage in public acts of racial hatred that are reasonably likely to offend, insult, humiliate or intimidate are also prohibited. This applies to spectators, participants or any other person who engages in such an act in public. Some states and territories also prohibit public acts that vilify on other grounds such as homosexuality, gender identity, HIV/AIDS, religion and disability – see definition of Vilification.

6.12 WORKING WITH CHILDREN REQUIREMENTS

Background

Child protection is about keeping children safe from harm or abuse. Child abuse is illegal, and all states and territories have their own systems and laws that cover screening and/or the reporting and investigation of cases of child abuse.

Working with Children Check (**WWCC**) laws aim to prevent people who pose a risk from working with children as paid employees or volunteers. In New South Wales, laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with children. The employer does this by checking certain criminal history and other matters. In some states, this also involves reviewing relevant findings from disciplinary proceedings. There are also requirements placed on organisations.

Please be aware that state and territory WWCC requirements may also apply to individuals who visit states with screening laws. For example, if a state association or club takes players under 18 into New South Wales for training camps, competition or other activities, those travelling with the teams must comply with NSW law.

The NSW WWCC requirements apply regardless of any provisions within these regulations.

WWC Check exemptions when changing jurisdictions

Workers with valid WWCC numbers in another state and territory are exempt from obtaining additional checks when participating in cross state or inter-jurisdictional events for up to thirty (30) days in any twelve (12) month period.

Accordingly, NSFA suggests that personnel who have a WWCC in New South Wales and who intend to participate in activities across state and territory borders check whether these exemptions may apply to them.

6.12.1 New South Wales Child Protection Requirements

All organisations within NSW that employ people in child-related employment (in a paid or volunteer capacity) must meet the requirements of the Working with Children Check (WWCC). Child related employment is work that primarily involves direct unsupervised contact with children.

WWC Check Requirements for employees

All new paid and volunteer employees are required to apply for a WWC check and receive a WWC number from the NSW Office of the Children's Guardian.

It is the responsibility of the employee to apply for a WWC Check and WWC Number by completing an on-line application form - [click here](#).

Once the applicant has completed the on-line form, he/she will receive an Application Number. The applicant must then take the WWC Application Number and proof of ID to the nearest Services NSW office. Paid employees are required to pay a prescribed fee on application. There is no charge for volunteer employees. Services NSW will then process the application and the applicant will receive a Clearance letter and WWC number by email within 2-3 days. The WWC Number is valid for five (5) years.

Once the applicant has received a WWC Number, he/she must register in the FFA National registration system and enter his/her WWC number at that time or provide it to the club where he/she will be working with children. The club will then verify the applicant's WWC number on-line and if verified the applicant is permitted to fill the role. Paid employees and volunteer employees under the age of eighteen (18) are exempt from providing a WWC number.

WWC Check requirements for employers (clubs)

Step 1: Register

Clubs must register as an employer for the New Working with Children Check - [click here](#)

Tips for registering:

- For *Child Related Sector* select – “Clubs or other bodies providing services to children”;
- For *Type of Staff to be Checked* – answer “YES” to *Paid/Contract staff* and “YES” to *Volunteers*;
- Note down the username and password and keep them handy on file, as the club will need to verify employee's WWC Numbers.
- Complete the rest of the form and then select SUBMIT;
- Once registered the club is ready to verify employee WWC Numbers.

Step 2: Verify WWC Numbers

Clubs must ask all paid and volunteer employees who are required to obtain a WWC number to provide you with their WWC Number at time of employment.

Once the club has received the WWC Number the club must go to [click here](#), select **Verify** (on left), enter the club username and password, the employee WWC Number, full name and date of birth. The system will then check the WWC Number to verify the person is clear to work with children.

If the WWC verification clears the applicant then the club can employ him/her, but if not cleared the club MUST NOT employ the person.

Step 3: Record Keeping

The club must keep a record of all employees that you have verified using the on-line WWC process. NSFA requires clubs to enter all records on the NSFA registration system.

The WWC records that are required for all employees are:

- Full name of employee;
- Employee's WWC Number;
- The Date of the Verification and outcome (i.e. Clear or Not Clear);
- Expiry date of the Employee's WWC Number;

6.12.2 Association/Club Requirements

Under NSFA's Member Protection Policy, the Association or its affiliated clubs and organisations are required to:

- Identify positions (paid and voluntary) that involve working with people under the age of 18 years.
- Check a person's referees (verbal or written) and interview a person about his/her suitability for the role and his/her suitability for working with children for both paid and voluntary positions.
- Ask all paid employees and volunteer employees who are required to obtain a WWC number to provide you with their WWC Numbers. Persons under the age of eighteen (18) applying for paid or voluntary employment are exempt from providing a WWC number.

6.13 COMPLAINT HANDLING PROCEDURES

To ensure due process, consistency and that the principles of natural justice are followed in all aspects of handling or conducting complaints, allegations, investigations, tribunals and disciplinary measures, NSFA will follow and implement the following procedures:

6.13.1 Complaints Procedure

Informal Complaints

Step 1: Talk with the other person (where this is reasonable, safe and appropriate)

In the first instance, you (**Complainant**) should try to sort out the problem with the person or people involved (**Respondent**) if you feel able to do so.

Step 2: Contact a Member Protection Information Officer

Talk with the MPIO or Football NSW MPIO if:

- The first step is not possible/reasonable;
- You are not sure how to handle the problem by yourself;
- You want to talk confidentially about the problem with someone and obtain more information about what you can do; or
- The problem continues after you tried to approach the person or people involved.

To contact the MPIO email mpio@nsfa.asn.au

Stakeholders can find the contact information for the Football NSW Member

Protection Information Officer at www.footballnsw.com.au

Stakeholders can contact the FFA MPIO by emailing to

mpio@footballaustralia.com.au.

The MPIO will:

- Take confidential notes about your complaint;
- Try to find out the facts of the problem;
- Ask what outcome/how you want the problem resolved and if you need support;
- Provide possible options for you to resolve the problem;
- Explain how the Complaints Procedure works;
- Act as a support person if you so wish;
- Refer the complainant back to attempt to resolve the complaint directly with the other person involved, if necessary;
- Keep a written record in Attachment B1 (Record of Informal Complaint);
- Refer you to an appropriate person (e.g. Mediator) to help you resolve the problem, if necessary;
- Inform the relevant government authorities and/or police if required by law to do so;
- Maintain confidentiality.

Step 3: Outcomes from initial contact

After talking with the MPIO, you may decide:

- There is no problem;
- The problem is minor and you do not wish to take the matter forward;
- To try and work out your own resolution (with or without a support person such as the MPIO);
- To seek a mediated resolution with the help of a third person (such as a mediator); or
- To make a formal complaint to the MPIO in writing.

Formal Complaints

Step 4: Making a Formal complaint

If your informal complaint is not resolved, or informal approaches have not resolved the complaint to the complainant's satisfaction, or are not appropriate or possible, the complainant may:

- Make a formal complaint in writing to the NSFA MPIO or Football NSW MPIO; or
- Approach a relevant external agency such as an anti-discrimination commission, for advice.

On receiving a formal complaint and based on the material the complainant has provided, the MPIO or Football NSW MPIO will decide whether:

NSFA Regulations

- They are the most appropriate person to receive and handle the complaint;
- The nature and seriousness of the complaint warrants a formal resolution procedure;
- To refer the complaint to mediation;
- To appoint a person to **investigate** (gather more information on) the complaint;
- To refer the complaint to a Hearings tribunal;
- To refer the matter to the police or other appropriate authority; and/or
- To implement any interim arrangements that will apply until the complaint process set out in these procedures are completed.

In making the decision(s) outlined above, the MPIO will consider:

- Whether they have had any personal involvement in the circumstances which means that someone else should handle the complaint;
- Your wishes, and the wishes of the respondent, regarding the manner in which the complaint should be handled;
- The relationship between you and the respondent (for example an actual or perceived power imbalance between you and the respondent);
- Whether the facts of the complaint are in dispute; and
- The urgency of the complaint, including the possibility that you will be subject to further unacceptable behaviour while the complaint process is underway.

If the MPIO is the appropriate person to handle the complaint, they will, to the extent that these steps are necessary:

- Put the information they've received from you to the person/people you're complaining about; and
- Ask them to provide their side of the story;
- Decide if they have enough information to determine whether the matter alleged in your complaint did or didn't happen; and/or
- Determine what, if any, further action to take. This action may include referring the matter to a Tribunal from which disciplinary action may result in accordance with this Policy.

In the event that further investigation into the matter is required, the CEO will appoint an appropriate person, whether a NSFA employee or otherwise, (**Investigator**) to investigate the complaint.

Step 5: Investigation of the complaint

In accordance with **Section 6.13.3 clause (b)** of this Policy, on completion of his or her investigation, the Investigator appointed under Step 4 above must provide a written report to the NSFA MPIO or Football NSW MPIO for a determination by FFA or the relevant Member Federation as to what further action should be taken.

If the Investigator recommends that, the organiser refer the complaint:

- To mediation, it will be conducted in accordance with **Section 6.13.2** of this Policy or as otherwise agreed by the Complainant, the Respondent and the mediation provider; or
- To a tribunal, the hearing shall be conducted in accordance with the Grievance Resolution Regulations; or
- The police or other appropriate authority, NSFA will use its best endeavours to provide all reasonable assistance required by the police or other authority.

The Investigator must make clear to all parties that he/she is not seeking to resolve the matter, to decide whether any breach of this Policy has occurred, or to impose any penalty.

The Investigator must refer any decision about Policy breach to an independent Tribunal, and wherever possible, an independent mediator should conduct any mediations.

NSFA must meet any costs relating to the complaint process set out in this Policy (e.g. investigation and/or mediation and/or hearings tribunal) unless otherwise stated.

Step 6: Documenting the resolution

The MPIO will document the complaint, the process and the outcome. This document will be stored in a confidential and secure place. If the matter was escalated to and/or dealt with at the Football NSW level, the information will be stored in the Football NSW office. If the matter is of a serious nature, or if the matter was escalated to and/or dealt with at the FFA level, the documents will be stored at the FFA office with a copy stored at the

NSFA office.

Step 7: External Procedure

There is a range of other options available depending on the nature of your complaint. If you feel that you have been harassed or discriminated against, you can seek advice from the Anti-Discrimination Board of NSW (ADB) without being obliged to make a formal complaint. If the ADB advises you that the problem appears to be harassment within its jurisdiction, you may lodge a formal complaint with the ADB. [Click here](#) for link.

Once the ADB receives a complaint, it will investigate. If it appears that unlawful harassment or discrimination has occurred, it will conciliate the complaint confidentially. If this fails, or is inappropriate, the complaint may go to a formal hearing where a tribunal will make a finding. The tribunal will decide upon what action, if any, it will take. This could include financial compensation for such things as distress, lost earnings or medical and counselling expenses incurred.

If you do lodge a complaint under anti-discrimination law, you may use an appropriate person as a support person throughout the process. It is also common to have a legal representative, particularly at the hearing stage of a complaint.

You could also approach another external agency such as the police.

6.13.2 Mediation process

Mediation is a process that assists people in conflict to communicate with each other to identify the areas of dispute and to make decisions about resolving it. NSFA will follow the following general procedure of mediation:

- If the parties choose mediation, the MPIO will arrange for a mediator, in consultation with the Complainant and the Respondent(s)
- The mediator's role is to assist the Complainant and Respondent(s) reach an agreement on how to resolve the problem. The mediator, in consultation with the Complainant and Respondent(s), will choose the procedures that the mediation will follow. At a minimum, the mediator will prepare an agenda of issues for discussion.

The mediator will conduct the mediation confidentially and without prejudice to the rights of the Complainant and the Respondent(s) to pursue an alternative process if the complaint is not resolved.

- At the end of a successful mediation, the mediator will prepare a document that sets out the agreement reached which both parties will sign as their agreement.
- If the complaint is not resolved by mediation, the Complainant may:
 - ❖ Write to the MPIO to make a formal complaint in accordance with **Step 4**;
 - or
 - ❖ Approach an external agency such as an anti-discrimination commission.
- Mediation will **not** be recommended if:
 - ❖ The Respondent has a completely different version of the events and will not deviate from these;
 - ❖ The Complainant or Respondent are unwilling to attempt mediation;
 - ❖ Due to the nature of the complaint, the relationship between the Complainant and the Respondent(s) or any other relevant factors, the complaint is not suitable for mediation; or
 - ❖ The matter involves proven serious allegations, regardless of the wishes of the Complainant.

6.13.3 Investigation Process

- If NSFA or an affiliated club or organisation needs to conduct an investigation to gather more information, it shall appoint an independent Investigator.
- NSFA or the affiliated club or organisation shall provide a written brief to the Investigator clarifying terms of engagement and roles and responsibilities.
- The Investigator shall:
 - ❖ Interview the Complainant and record the interview in writing;
 - ❖ Convey full details of the complaint to the Respondent(s) so they can respond;
 - ❖ Interview the Respondent(s) to allow them to answer the complaint, and record the interview in writing;

NSFA Regulations

- ❖ Obtain statements from witnesses and other relevant evidence to assist in a determination, if there is a dispute over the facts.
- The Investigator shall deliver a report to the CEO as to whether in his or her view the complaint is:
 - ❖ Substantiated (there is sufficient evidence to support the complaint); or
 - ❖ Inconclusive (there is insufficient evidence either way); or
 - ❖ Unsubstantiated (there is sufficient evidence to show that the complaint is unfounded); or,
 - ❖ Mischievous, vexatious or knowingly untrue.
- If requested, the Investigator may recommend that the CEO should refer the matter to a Tribunal for determination as to whether there has been a breach of the Policy and any appropriate sanctions.
- The CEO shall provide a report to the Complainant and Respondent(s) documenting the complaint, the investigation process and summarising key points concerning the investigation.
- The Complainant and the Respondent(s) shall be entitled to receive support throughout this process from their chosen support person/adviser (e.g. MPIO or other person).

6.13.4 Investigation Procedure for child abuse

An allegation of child abuse is a very serious matter and the organisation or affiliated club must handle such matter with a high degree of sensitivity. It is not the responsibility of anyone working in NSFA in a paid or unpaid capacity to decide whether child abuse has taken place. However, there is a responsibility to act on any concerns by reporting these to the appropriate authorities. The following outlines the key steps to follow. Stakeholders can obtain more information from state or territory government agencies.

Step One – Initial Receipt of an Allegation

If a child or young person discloses an allegation involving harm or abuse to them or another child, then it is crucial that you:

- Stay calm;
- Listen, be supportive and do not challenge or undermine what the child says;
- Reassure the child that what has occurred is not the fault of the child;
- Be honest with the child and explain that other people may need to be told in order to stop what is happening;
- Ensure you are clear about what the child has said but do not elicit detailed information, ask leading questions or offer an opinion;
- Act promptly to accurately record the discussion in writing;
- Do not discuss the details with any person other than those detailed in these procedures; and
- Do not contact the alleged offender.

Step Two – Report allegations

- Immediately report any allegation or disclosure of child abuse or situation involving a child at risk of harm, to the police and/or Family and Community Services (NSW) (FACS). You may need to report to both.
 - Contact FACS or police for advice if there is **any** doubt about whether you should report the complaint (for example, the allegation may relate to poor/inappropriate practice).
 - If you suspect the child's parent/s of committing the abuse, you should report the allegation to FACS.
 - If the allegation involves anyone to whom our Policy applies, then also report the allegation to the MPIO so that they can manage the situation (e.g. contact the parents following advice from the authorities, deal with any media enquiries and manage steps 3 and 4) below.

Step Three – Protect the child and manage the situation

- The MPIO will assess the risks and take interim action to ensure the child's/children's safety. Action NSFA may implement includes redeployment of

the alleged offender to a non-child related position, supervision of the alleged offender or removal/suspension from their duties until the allegations are finally determined, however it is not the MPIO's role to undertake such actions. The relevant Governing Body should seek legal advice if person is in a paid employment.

- The MPIO will consider the kind of support that the children and parents may need (e.g. counselling, help lines, support groups).
- The MPIO will address the support needs of the alleged offender.
- The MPIO will also put in place measures to protect the child and the person that is the subject of a complaint from victimisation and gossip. If you stand down a person, you should make clear to any persons aware of the incident that this does not mean the respondent is guilty and a proper investigation will be undertaken.

Step Four – Internal action

- ❖ Where there is an allegation made against a person to whom this Policy applies, there may be three types of investigations:
 - ❖ Criminal (conducted by police);
 - ❖ Child protection (conducted by child protection authority);
 - ❖ Disciplinary or misconduct (conducted by NSFA).
- ❖ Irrespective of the findings of the child protection authority and/or police inquiries, NSFA will assess the allegation to decide whether to either reinstate or ban the person, or terminate their employment or position or any other action having regard for all the information, including the findings of the police, government agency and/or court.
- ❖ If NSFA takes disciplinary action, it will follow the procedures outlined in **Section 6.14** of this Policy.
- ❖ If NSFA takes disciplinary action, it will advise a report to the relevant government authority should this be required (e.g. the NSW Commission for Children and Young People requires notification of relevant employment proceedings).

Step Five - Reporting Requirement and Document

Anyone who suspects, on reasonable grounds, that a child or young person is at risk of neglect or physically, sexually or emotionally abused, should report it to Community Services.

Reasonable grounds is the standard that reporters must use in deciding whether to report to Community Services.

It does not mean that reporters are required to confirm their suspicions or provide solid proof before making a report. A useful rule of thumb is to consider whether another person, when faced with similar information, would also draw the same conclusion.

You can make a report by phoning the NSW Family and Community Services Child Protection Helpline on 132 111 (TTY 1800 212 936) for the cost of a local call, 24 hours a day, 7 days a week.

6.14 HEARINGS AND APPEALS TRIBUNAL PROCEDURES

Hearings tribunals established by NSFA will follow the following Tribunal Hearing Procedure:

6.14.1 Tribunal Formation and Notification

- The P.D. & D.C., following the rules outlined in the NSFA Constitution, shall hear any complaint that the CEO has referred to it.
- The P.D. & D. Committee (P.D. & D.C.) Chair will convene a panel to by notifying all P.D. & D.C. members that they are required to hear a complaint. The Chair will provide the P.D. & D.C. members with a copy of all the relevant correspondence, reports or information received and sent by the CEO, relating to the complaint/allegations.
- The Chair will schedule The P.D. & D.C. hearing as soon as practicable, but must allow adequate time for the Respondent(s) to prepare a response to the complaint.

NSFA Regulations

 - ❖ The P.D. & D.C. committee will comprise at least one person who has knowledge, and preferably experience, of any relevant laws relating to the complaint (e.g. anti-harassment).
- If a member of the P.D. & D.C. committee cannot continue once the P.D. & D.C. hearing has commenced, and the minimum number required for the P.D. & D.C. hearing is still in place, the Chair will not replace the discontinuing member.
- If a member of the P.D. & D.C. committee cannot continue once the P.D. & D.C. hearing has commenced and the specific or minimum number is no longer in place, the discontinuing member may be replaced if it is considered appropriate by the P.D. & D.C. Chair. Factors to consider should include the circumstances of the complaint and the ability of the Chair to make the new P.D. & D.C. committee member reasonably and impartially informed of the hearing evidence up until the time of their appointment. If the P.D. & D.C. Chair believes it is not appropriate to appoint a new P.D. & D.C. committee member then the Chair will reschedule the hearing. The P.D. & D.C. Chair will inform the CEO of the need to reschedule, and the CEO, will organise to reconvene the P.D. & D.C. Hearing, with a new P.D. & D.C. committee.

The CEO will inform the Respondent(s) by written notification that a tribunal hearing will take place. The written notification will outline:

- That the Respondent may continue to participate in all NSFA Ltd. activities and events, pending the decision of the P.D. & D.C., including any available appeal process, unless the CEO believes it is warranted to exclude the Respondent from all or some NSFA activities and events, after considering the nature of the complaint.

The CEO will inform the Complainant by written notification that a tribunal hearing will take place. The written notification will outline:

- That the Complainant has the right to appear at the P.D. & D.C. hearing to support their complaint; and
- Details of the complaint, including any relevant rules or regulations the Complainant believes the Respondent has breached; and
- The date, time and venue of the P.D. & D.C. Hearing; and

6.19 SPORT RAGE

“Sport Rage” is an initiative of the NSW Department of Sport & Recreation that NSFA fully supports.

Sport rage can come in many forms – an unruly parent abusing a referee, a player punching another player, or a spectator shouting racial taunts.

These moments of madness can result in serious injuries, disciplinary action and even lifetime bans.

Dealing with sport rage is now a major challenge for clubs. Not only does sport rage reflect badly on the clubs involved, it can deter participation at all levels.

It is important that everyone involved in sport unite to combat sport rage.

PREVENTING SPORT RAGE: TIPS FOR PLAYERS

While sport rage is often the result of many factors, players can help reduce incidents by creating a positive sporting environment. Players should consider the following four points:

Be a good sport

- Remember the principles of fair play – respect, integrity and fairness.
- Display modesty in victory and graciousness in defeat.
- If you win, do not rub it in.
- If you lose, do not make excuses.
- If you make a mistake, learn from it and be ready to play on.
- If a team member makes a mistake, offer encouragement not criticism.
- Control your temper, - do not use bad language or harass others.
- Cooperate with your coach, teammates and officials.
- Learn the rules of the game and abide by them.
- Visit playbytherules.net.au to learn more about fair play.

Respect your opponent

- Treat your opponent the way you would like to be treated.
- Give encouragement to injured players and recognition to outstanding performances for both teams.
- Do not sledge or make any kind of derogatory remarks to your opponents during the game, especially comments of an ethnic, racial or sexual nature.
- Do not bully or take unfair advantage of another player.
- Always thank the referee at the end of the game.

Respect officials

- Accept and respect the referee's decision.
- Always thank the referee at the end of the game.
- If you have an issue with a decision, raise it in controlled and professional way with the coach or your captain.

Uphold the code of conduct

- Support and uphold the code of conduct for players.
- Do not drink alcohol at matches or arrive at the field intoxicated.

PREVENTING SPORT RAGE: TIPS FOR PARENTS

While sport rage is often the result of many factors, parents can help reduce incidents by being good role models and helping to create a positive sporting environment. Parents should consider the following six points:

What children want from sport

- Sport provides many valuable learning experiences for children, but for the most part, they do it for the enjoyment. When you ask a child, you will discover the scoreboard is not that important to them. In fact, one of the most enjoyable aspects of sport for children is being part of a team.

Encouraging fair play

- As the parent, you have the perfect chance to reinforce the principles of fair play – respect, integrity and fairness – when your child participates in sport.
- Parents should discuss fair play with their children and be good role models. They will be the first in line to shake the other team's hands if you have shown how important it is to do so.

Keep your emotions in check

- Unruly adult emotion at children's sport is sport rage at its worst. While some sideline emotion can be well intentioned, always consider the impact it is having.
- Bad behaviour, such as abusing an official or ridiculing the opposition, is unacceptable. An official's decision that annoys you will probably go unnoticed by your child, but your loud and abusive outbursts will not.

Respect for coaches

- Coaches and team managers play an essential role in providing a sporting experience for your child. Without them, there would be no team and no game, so show respect for the people in these roles.

Respect for referees and officials

- Referees and other officials are there to help make the game fair and more enjoyable for everyone. However, they are human and may occasionally make mistakes. Your behaviour toward officials will affect the attitude of your child.
- Parents should never approach the official directly. If you have, an issue raise it in a controlled and professional way with the coach or club administrator.

Upholding the code of conduct

- It is important you understand, support and uphold the parent's code of conduct. Your club is entitled to enforce this code. For example, while it may not be a criminal offence for a parent or spectator to taunt an opposition team verbally, such behaviour may breach the code of conduct and your club should take disciplinary action.

DEALING WITH SPORT RAGE

Despite everyone's best intentions, sport rage incidents sometimes occur. While it is mainly the responsibility of ground officials and club committee members to deal with incidents, it is important that everyone understands and supports the process. Here are some of the steps that any person can take, depending on the seriousness of the incident:

Reporting inappropriate behaviour – Responsibility of everyone.

- Any person observing behaviour that contravenes the codes of conduct should reported the behaviour to the ground official. Any person who is unsure who the ground official is should report the incident to a club committee member.

Approaching the offender

- Responsibility of the ground official/club committee member.
- Only the ground official or club committee member should approach the offender.

Issuing warnings

- Responsibility of the club committee/ground official.

NSFA Regulations

- The first time a person breaches a code of conduct, the ground official may issue a warning. The person may not be aware that their behaviour is unacceptable, and the ground official should notify the person of club rules.

Taking disciplinary action

- Responsibility of the club committee member.
- The club committee should consider taking disciplinary action in accordance with its rules if the person repeats the conduct or it is of a serious nature. This might result in counselling, suspension or expulsion.

Removing people from the field of play or venue

- Responsibility of the ground official/club committee.
- The referee should communicate directly and immediately with the ground official to remove a person from the field. If the club is in a position to control ground entry, it will be able to evict persons from the ground. Where attendance is not controlled, clubs can request offenders leave the venue, or otherwise can discipline the person for the breach of the code of conduct.

Suspending play – Responsibility of the referee

- The referee may suspend play and refuse to restart until a team or club official takes appropriate action. The referee may request a team or club official to remove that person from the sideline and, in serious cases, abandon the game altogether.

Involving the police – Responsibility of the ground official/club committee

- If you feel the behaviour of an individual constitutes a criminal act, the ground official should notify the police immediately. While it is lawful for a club to detain a person who has committed a criminal offence until the police arrive, we recommend that you do this only as a last resort. Club officials are able to exercise reasonable force in detaining a person who has committed a criminal offence until the police arrive, but this should not be disproportionate to the conduct of the offender.
